

Suggestions and Errors:

These are the common errors we are facing in every sheet ie. Combo-2 ,Combo-3 & Combo-5 and FoC and bundles(BMSM,BXGY) too:-

- Percentages being pushed in every city and in City_disabled_items too which is not correct,it should be present in only city_discount_percentage column.

Solution- There should be flag only in the respective city

- Flags are not required in city_disabled_item column.
- Brand fund should have 0 when entry given in Self fund column only.
- In BXGY there should be flags not percentages.

Solution- There should be Flag=1 in the respective city.

- Percentages not getting added to Sonenpath which should be there when it is given in Sonenpath column.
- B2B should not have any flags,even if the entry is given.
- Duplicate entries need not be processed. In these cases pick the one that is the latest in respect of entry date
- Brand Fund should be in percentage form without the percentage sign.

- Don't pick the entries marked as RED

- Percentage should not be more than 50 and if it is then the entries should be highlighted in Blue colour.
- Category comments should be there in the last column when final sheet is prepared in the tool.
